

Cold and wind make Hillcrest CC a beast for LSMGL Fun Day

Greg Bauer

The Oct. 9 Scramble event at Hillcrest Country Club provided quite a challenge even though the league was using the gold tees. Any hole into the north wind proved to be difficult to get on in regulation including the par 3's. As in previous years grilled burgers and dogs were available at the turn, and refreshment carts were accessible all day. The course was in excellent condition, the rain held off, but the cold certainly reminded some golfers of our April Fun Day at Ashland in the Spring.

Pin prizes were awarded on hole No. 8 for Closest to the Pin and No. 17 for Longest Putt with Jerry Petersen and Mike Stefkovich respectively winning those. Oct. 11 the seniors played Highlands and Oct. 18 they will be at Pioneers.
