

## Lincoln Senior Golf Board of Directors Meeting August 11, 2016

### **Attendance:**

Bill Allen, President  
Dean Bergman, VP  
Dave Pauling, Treasurer  
Glen Schmieding, Secretary  
Ned Hedges, Past President  
Michael Gerhart, League Manager  
Bob Wesslund, League Manager  
Allen Gabel, League Manager  
Veryl Jessen, Fun Day Coordinator  
Dennis Lacquement, Fun Day Coordinator; Web Editor  
Myron Thoreson, Fun Day Coordinator  
Mike Toomey, Sub Coordinator  
Jim Augustyn, Fun Day Coordinator  
Greg Bauer, Publicity Coordinator

### **Handicapping Methodology: (Refer to Rule V)**

Some members have questioned the procedure for calculating handicaps. In summary, the criteria for this calculation is as follows:

Only scores from league play are utilized  
Last six scores, with high and low thrown out  
League Manager software calculates handicap, Equitable Stroke Control taken into account  
Handicaps vary by course due to difference in ratings  
90 % of scores  
Updated weekly  
Last handicap issued for the remainder of 2016 will be following the August 17 league play

### **End of Season General Membership Meeting and Fun Day**

Registration: As of Aug. 11 there were 183 registered

Election of Officers: An E mail will be sent to all members giving them the opportunity to submit their name for any of the offices. Ned Hedges will serve as the Nomination Committee. The four incumbents, President, VP, Treasurer and Secretary, have agreed to be on the ballot for 2017.

Divisions Winners: Three places will be paid to the Division winners. Cash awards of \$30, \$25, & \$20.

Fun Day Arrangements: There will be three flights at Highlands and two flights at Mahoney. The format for play will be a dropout scramble.

### **Scorecards for League Play:**

Rule VIII specifies how the scorecards and scoring are to be done, but occasionally some of them are incorrect because of late changes. If the players do not see this at the time of the match, the League Managers will correct them in accordance with league rules.

### **Course modifications during the season:**

If holes are modified during the season due to maintenance or flooding, no changes will be made to the handicap ratings during the season.

### **Fun Days:**

Different Tees for Division I: Some members have questioned the reason for moving the Division I players to the blue tees for certain courses. In general, this has been done to recognize that most of the players in Division I have the lowest handicaps and in the shamble format it minimizes, to some extent, the impact of two long hitters on a team. Board members were comfortable with leaving this decision in the future up to the Fun Day Coordinators.

U-Pik versus Mixer teams: In 2016 there were 8 Mixer team formats and 16 U-Pik teams. There was considerable discussion pertaining to this issue, but in general, the Board was comfortable with leaving this ratio about the same for 2017. ( Having more Mixers would ease the burden for the Fun Day managers.)

Need For One or Two more Fun Day Managers: The goal for 2017 is to add a minimum of one, and preferably two, Fun Day managers. This would lessen the burden for Veryl and Dennis and could present the capability of having additional Fun Days.

Glen Schmieding  
Secretary
