President Bill Allen called the meeting to order at 10am. Reported his new E mail address to be ba7957@gmail.com.

Lessons at Ager: The pro at Ager, Joe Canny, is planning to give some lessons to beginning seniors sometime in August.

Lincoln City Golf Announcements and Issues: (1) The maintenance crews will be rotated to different courses beginning Sept. 1st; (2) The Highlands course is still showing a deficit, mainly due to their high water bills; (3) The Lincoln Municipal Advisory Committee may become a free standing committee.

Nomination Committee for 2017-2018: Motion made and seconded to include Past President Ned Hedges as Chairman along with two non-Board member appointees by President Bill A. Motion carried unanimously.

Treasurers Report: Checking account balance is \$19,525.04. This account will decline after paying year end luncheon expenses, reimbursing gift certificates and other miscellaneous bills.

Board Position Descriptions: Attempts will be made in the future to communicate the nature of various board member positions such as League Managers, etc. to the membership.

Heat Issues: The Board unanimously felt that decisions whether to play in League events which happen to occur during hot weather should be the responsibility of each individual member.

Fun Day Labeling of Flights: Since teams in "Mixers" actually have about the same total handicaps as selected by the computer software, the designations for flights in Mixers will be changed to "Red, White, or Blue" instead of A, B, and C.

The designations for divisions in “U-PIK” events will remain A, B, & C since the team groupings are based on the lowest to highest total handicaps.

Substitute Roster: The coding of player availability is working well, with the exception that some of the coding is not current. Mike Toomey suggested modifying the Registration Form for future seasons to include an opportunity for subs to list dates when they will not be available. He will coordinate this potential addition to the Registration form with Veryl Jessen.

League Play Score and Team Outcome Complaints: This is not a big issue, but the membership will be advised that any discrepancy in scores should be brought to the attention of the League Manager for that Division. This is presently noted on each scorecard. Members will be told that scores become official and non-changeable the Sunday after each Wednesday match.
