President Bill Allen called the meeting to order at 10am.

Correction to minutes of May 11, 2017 meeting: In second last paragraph, which partially states..."but is imperative that the player cancelling should either have a substitute..." should read; "a player cancelling should notify the Fun Day Coordinator, who will then obtain and assign a substitute". In other words, the player cancelling does not have the prerogative to choose a substitute since there may be a member on the waiting list who should have top priority.

Fun Day Registrations: Numerous issues were discussed in connection with Fun Day registrations. Some of these issues were: (1) Procedure for obtaining subs for previously registered teams, (2) "No Shows", (3) Posting team composition in advance for Mixer events, (4) Priority for members on Waiting Lists, (5) Obtaining subs for U-Pik and Mixer events, (6) Advance registration reminders, and, (7) Last minute cancellation procedures.

In order to formulate some uniform procedures dealing with these issues, President Bill announced that he would form a special ad hoc committee consisting of the Fun Day Coordinators, himself and the Publicity Coordinator and then bring their recommendations to the full Board for discussion and adoption.
