

Rain subsides for Tara Hills LSMGL Mixer

Greg Bauer

The May 20 event saw fantastic conditions with sunny skies, little wind and humidity, and a course in great condition. Considering the constant rain over the past three weeks it was quite a relief, and subsequently Tara Hills was green and lush. The Shamble event utilized 60% of each golfer's handicap, and after picking the best drive of the four-man groups played their own ball to completion of the hole. The two best net scores were used for the par 4 and 5 holes and one score for the par 3 holes.

The drive to Papillion is a favorite of the league because of its great price, fun layout, and wonderful treatment by the staff. Flag prizes were awarded on two holes with Scott Raasch winning the closest tee shot on Hole No. 15 and Mark Pankoke making the Longest Putt on Hole No. 9. The next Fun Day will be Monday, June 3 at Pioneers.
