

LSMGL kicks off 2024 Fun Days at Woodland Hills

Greg Bauer

The May 6 Senior Fun Day had all the potential to be rained out with ominous clouds and low temps, but the skies held so the Senior golfers could complete a great day. While the steady winds were a challenge, the course was in great condition considering the recent heavy rains. The Mixer event allowed golfers to meet some new members they normally do not play with, and the Scramble format contributed to a brisk pace of play.

As has always been the case, the staff was helpful and organized with some great burgers available afterwards. Pin prizes were provided by Austad's Golf and awarded on hole 9 for the longest putt and hole 18 for the closest 2nd shot. Those were won by Jon Debus and Mark Bieber respectively. The next Fun Day will be held at the Ashland CC May 13.
