

## Windy conditions for LSMGL Table Creek Fun Day

Greg Bauer

The Mixer Scramble has had a variety of weather conditions over the years from torrential downpour to blistering heat, but the June 17 event saw clouds give way to some humidity and very challenging winds. The brown tees were used for both flights, and while there were some tough pin placements, the greens rolled true, and the course was in great condition.

Pin prizes were awarded on hole 9 for closest to the pin on the second shot, and hole 18 for the longest putt. Jon Debus and John Tritt won those respectively. The next Fun Day event will be Monday July 1 at a favorite Senior stop, Eagle Hills in Papillion.
