

LSMGL Pioneers Scramble perfect in every way

Greg Bauer

The June 3 Fun Day at Pioneers Park had 93 golfers in two flights and played a Scramble format for the seniors. The Mixer format utilized computer selected four-man teams with total handicaps within one stroke of each group. The sunshine, a course in perfect condition, and lack of wind allowed the league to complete all its duties in 4 ½ hours which made for a stress-free day.

As usual Head Pro, Tim Rowland and his staff made the event run like a well-oiled machine. Pin prizes were awarded on hole 9 for longest putt and 17 for closest tee shot. Bob Schultz and Ron Riley won those respectively. The next Fun Day will be at a new venue, Hidden Valley, Monday June 10.
